Welcome to St. Mary School!

St. Mary School has been providing quality, Catholic education for families in Northwest Indiana for 90 years! We offer grades Preschool thru Eighth, with a full-day preschool and kindergarten.

Accredited by the State of Indiana and AdvancEd, we are also a "Choice Scholarship" school. We are staffed by 12 full-time licensed and experienced teachers who are committed to Catholic education. Their love of God and their faith is evident in their teaching, classrooms, and in the example they set for their students.

In addition to basic curriculum, aligned with the Career and College Readiness Standards, we also offer religion, pre-algebra, algebra, music, art, gym, library, and computer classes. We provide a before and after school care program, run by our teachers.

Spiritual growth is an essential part of our curriculum featuring daily prayer, religious instruction, and active preparation in liturgies, service projects, preparations for and the opportunity to receive the sacraments of Reconciliation, Holy Communion, and Confirmation.

Our academic program is enriched with extra curricular activities: Choir, Band, Student Life Committee, and altar serving.

Students in grades 5-8 can participate in the St. Mary Wildcat athletic program. Basketball, soccer, volleyball, and track are offered for boys. Volleyball, soccer, basketball, track, and cheerleading are offered for girls.

Responsibilities of St. Mary School Parents

“St. Mary School partners with parents and students to grow in their love of Jesus Christ through faith, formation, and service.”

As our Mission Statement says, your child’s education is a partnership between you, St. Mary School, and St. Mary Church. Your responsibilities include:

Spiritual: be a good example, attend Sunday mass or worship service weekly, and financially support St. Mary Church.
Be an active participant in the parish.

Financial: stay current with payment of fees and tuition. You must make the effort to contact Fr. Virus if assistance is needed.

Service: to build community in our school, *all* school families are required to work Bingo-2 hours/month.
Bingo must be worked by everyone in order to keep tuition low.
