

*St. Mary School
Summer Reminders*

As the school year comes to an end, I want to thank all the families for their patience and understanding during this school year. Your children did an AWESOME job adjusting to the changes we had to implement this year due to COVID-19 protocols. Thank you for trusting us with your children and your continued support of St. Mary School.

Bingo continues throughout the summer. Please be sure to work whenever you have the opportunity. If you had not fulfilled your bingo hours during the school year, now is a good time to make up the hours. Special incentives are given throughout the summer bingo for the workers.

Please be sure to spend time during the summer working on reading and math skills. It makes the transition back to school in August much easier if they have been reviewing all summer. Learning math facts is extremely important for everyone in grades K-8.

The school office will open on Monday, August 2. Parent Packet pick-up will be Wednesday, August 11, 2021 at Back to School Night. It begins at 6:00 pm at Hildebrandt Hall. School families are encouraged to attend as you will learn what's new, sign up for parent/teacher conferences, and get a chance to meet your child's teacher. You will be able to bring in classroom supplies at that time.

The school website and Facebook are two great resources for finding information about events at St. Mary School.

St. Mary Carnival Days will be August 19th-22nd. School parents are encouraged to come and work bingo during the weekend.

The first day of school for Preschool-8th grade is Tuesday, August 24th. It is a full day of school with After School Care available. *Your child must be registered for After School Care to attend.*

Have a great summer! Be sure to spend time with God in prayer and at Mass.

God bless,

Rebecca Maskovich
Principal
